

## Your Advertising Medium for all English Speaking Top Executives Worldwide!

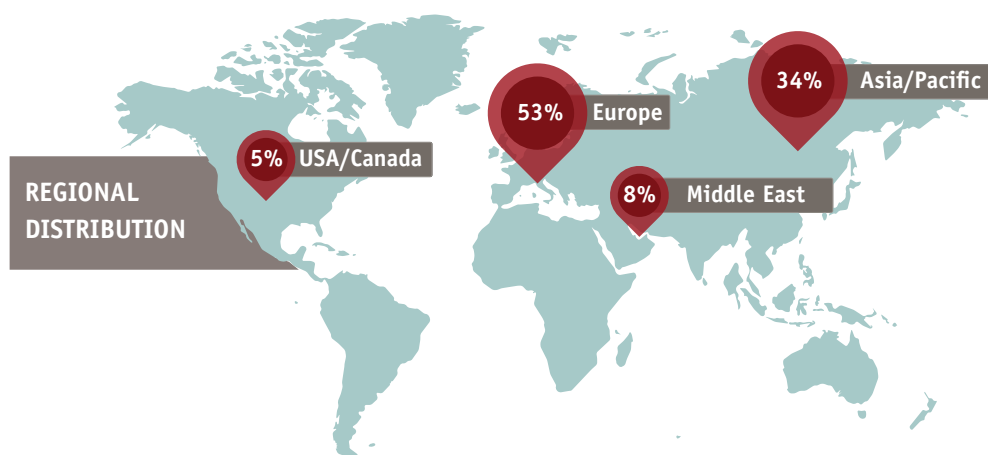

**Kunststoffe international** has been published since January 2007 as the English edition of **Kunststoffe**.

With topical articles from **Kunststoffe**, **Kunststoffe international** competently provides information in English on technical developments and industry trends. One trademark: the exclusive insider reports – they form the profile of the magazine as a trend-setting information carrier for the increasingly global performing plastics processors.

**Kunststoffe international** is published by Carl Hanser Verlag and is complemented by a website with extensive offers in English at [www.kunststoffe-international.com](http://www.kunststoffe-international.com)

### Target Group Top Executives

**Kunststoffe international** is distributed to more than 2,000 highly reputed top executives in the plastics industry worldwide. It is also distributed at important major trade fairs.
